

“Pursuing a sustainable future and hope for orphans and vulnerable children around the globe”

## COG Global's Gateway Sponsorship Program

In James 1 and Galatians 6 we're encouraged to ***“Look after orphans, and carry each other's burdens.”***

We are **NOT** asking you to make a financial commitment, but it would be great if you considered joining our volunteer team by spending ½ **hour** or so emailing your own personal fundraising page out to those in your network. Here is an example of what a page looks like for your consideration:

<https://www.grouprev.com/forkids-kim-james-coles>

If only 20 friends respond to your email request by making a one-time contribution of \$25 each on your online link, you will have raised enough (\$500) to 'look after' one of these precious Children of God for an entire year!

If you feel led to help, here are the instructions for setting up your page ...

**Step #1** - Click on the following link: <https://www.grouprev.com/forkids/signup>

**Step #2** - Fill in the boxes on the page, and it's important to upload a personal photo of you (or of you and your family) in the box near the bottom of the page ... the ideal image size is 367x696 pixels or smaller

**Step #3** - Click on the big blue CREATE PAGE button and you'll be ready to roll:)

Please don't hesitate to contact me if you run into any hiccups or have any questions.

Thanks for helping us share the Love of Jesus as we team up together to care for, educate, and disciple orphans and vulnerable children around the globe.

Jim Coles, Director of Operations
